

SAINT PAUL  
THE  
APOSTLE

# TEACHER'S GUIDE

## **Supplies Needed:**

- One file folder per student
- One set of activity print outs for the lap book per student
- Scissors
- Stapler, glue, or tape (regular or double sided)
- Crayons, markers, or colored pencils
- Pencils or pens
- 1 metal brad per student
- 1 swatch of purple fabric per student

## **Sample Project:**

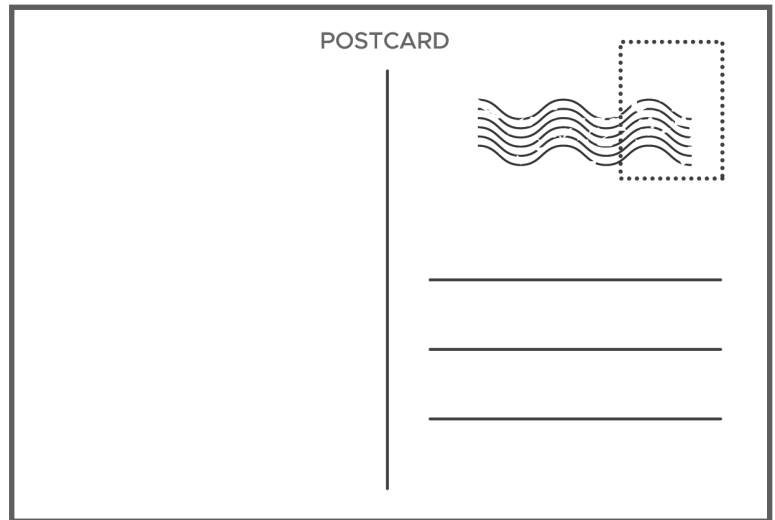

At the end of this handout are photos of a sample Journeys of St. Paul lap book.

You can do the project a little bit each day or all in one day. This just depends on your needs and situation.

**Epistles of St. Paul** - Glue or tape the bottom and sides of the envelope to the upper, left side of your lap book. Do not attach the top of the envelope to the folder. You will be sliding a postcard into this envelope. On the postcard, each student will write a list of St. Paul's epistles on the left side and on the right side they will write a short definition of "epistle."

Paul's Epistles:

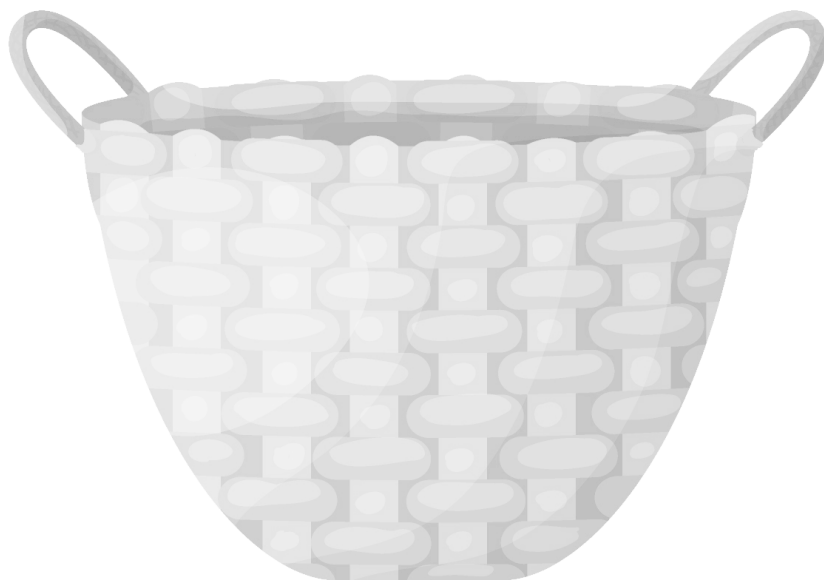

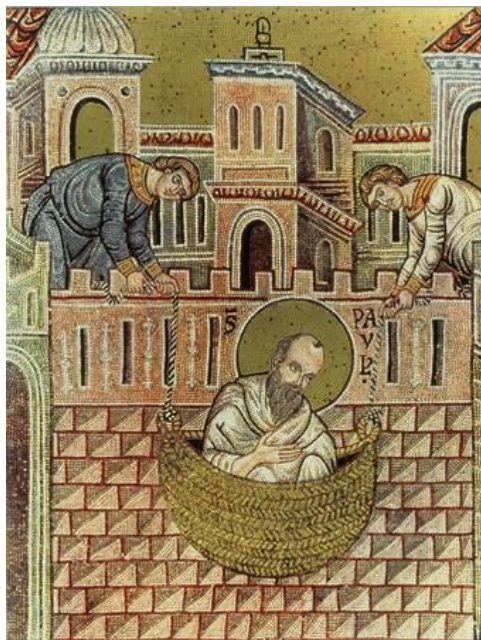

- Romans
- I and II Corinthians
- Galatians
- Ephesians
- Philippians
- Colossians
- I and II Thessalonians
- I and II Timothy
- Titus
- Philemon
- Hebrews

An epistle is a letter. St. Paul wrote some letters to a group of people (such as to people in Rome, Corinth, Galatia, etc). He also wrote some letters to specific people (such as Timothy, Titus, and Philemon).

**St. Paul Escapes in a Basket** - Color the basket. Then glue or tape the bottom and sides of the basket to the lower, left portion of the lap book. Do not glue the top portion down to the file folder. You will need to be able to slide the icon into the basket after you cut the icon out.

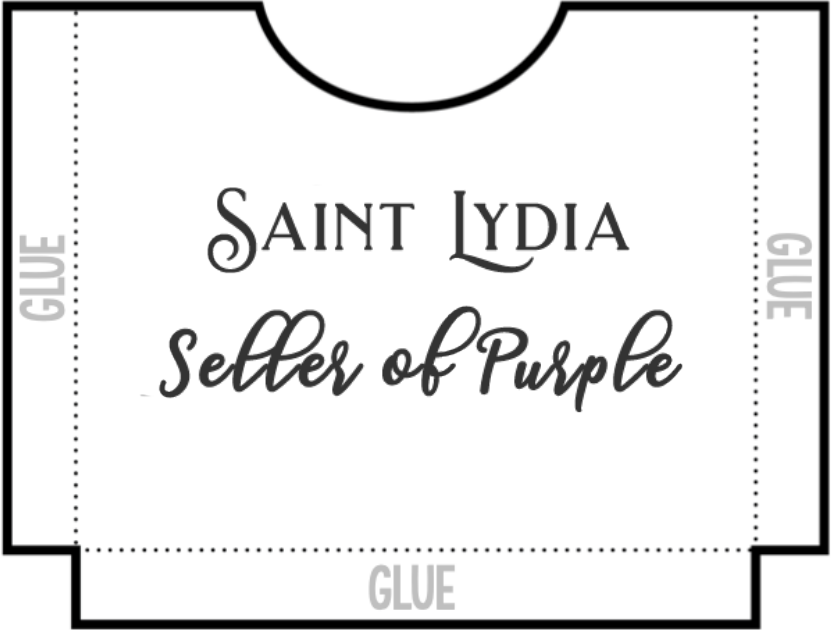

**Facts about Saint Paul** - Fill in the answers to the questions on the blank insert on the next page. Then cut it out and glue to the lower left, middle side of the file folder. Next, cut out the question insert. Finally, cut across the horizontal lines of the question insert, but do not cut into the margin. The margin is there to hold the questions in place inside your lap book.

**Scenes from St. Paul's Journeys Spinner** - Write a brief description or draw a scene from St. Paul's journeys. Examples are provided below. Then cut out the bottom portion of the scenes spinner and glue it to the lower, right middle portion of your lap book.

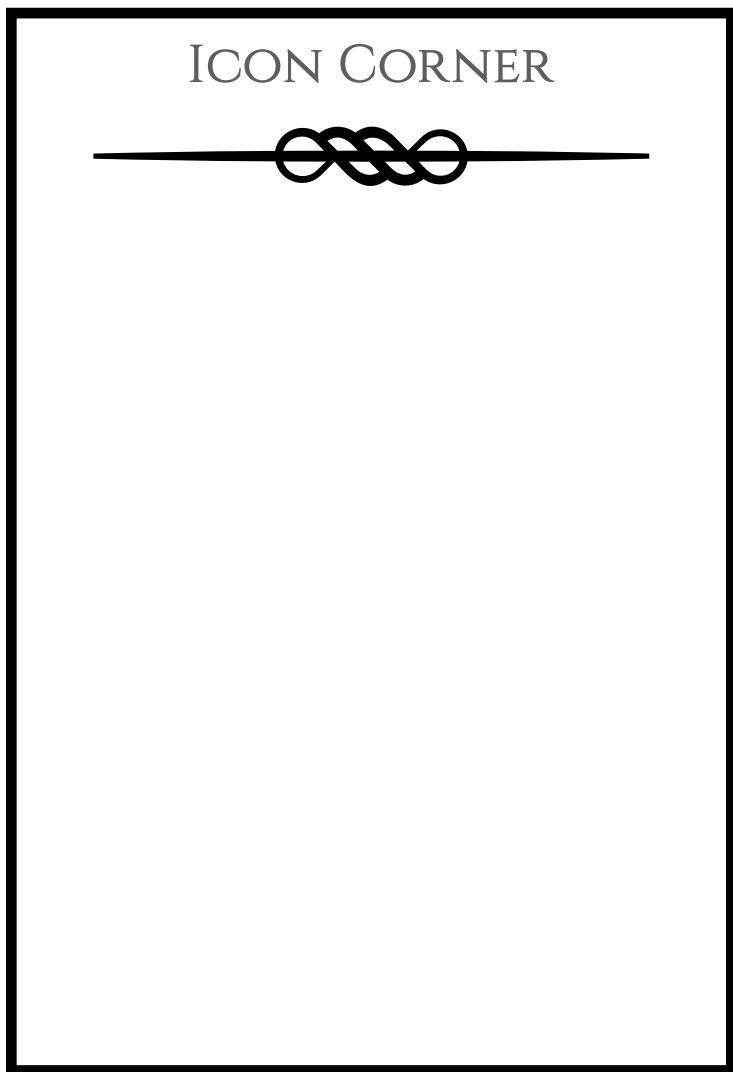

Examples:

- Saul was blinded on the road to Damascus
- Paul baptized by Ananias
- Paul escaped Damascus in a basket over the city wall
- Paul baptized Lydia (first baptized Christian in Europe)
- Paul imprisoned in Jerusalem
- Shipwreck off the island of Malta
- Snake bit Paul's hand
- Paul taught many people about Jesus
- Paul put under house arrest in Rome
- Paul martyred in Rome

**Scenes from St. Paul's Journeys Spinner** - Cut out the top portion of the spinner and attach it to the bottom portion of the spinner with a brad. You may need to poke a hole through the file folder before placing the brad in place.

**Icon Corner of Saints** - Saint Paul interacted with many saints during his journeys. Four (and there were many others as well) were: St. Barnabas, St. Mark, St. Lydia, and St. Luke. Color and cut out the icon corner. Then glue or tape it to the upper right side of the lap book. Then cut out the saints and glue or tape them into the icon corner.
